

Oprah's Encore

Oprah's Encore will feature highlights from the past 25 years of the groundbreaking Oprah Winfrey Show, along with previously unseen footage and new interviews.

The series will reveal moments that Oprah and her team regretted, moments that made her angry and moments when things went unexpectedly wrong. It all kicks off with a countdown of Oprah's top 100 moments. This is a whole new way to watch The Oprah Winfrey Show and will feature interviews with celebrities, including Julia Roberts and Hugh Jackman among others.

Starts in October 2011.
